AMERICAN FORK, UTAH, SATURDAY, AUGUST 6, 1921.

NUMBER 2

THE MOST THRILLING GAME OF THE SEASON

It was considered to be the most thrilling game of the season was witnessed by more than 1000 fans at Provo Wednesday. Once again American Fork was victorious, winning the ninth straight win in the second half. This is supposing, of course, that the local team will be victorious in the protested game of last night.

Miller did excellent work and dealt a shut out game, as Provo's runs were made upon a bad throw by Parker when he dropped the ball, allowing Provo to score on the other hand the locals' lineup earned runs, one of which he ran over the fence by Miller. Every member on both sides did excellent ball as only one error was made in the entire game.

As we moved to be a pitcher's league as to Miller and Kinney. Due to the fact they were badly fooled made to forfeit the game. Many yells were heard from the bleachers as the game progressed. The locals scored 8 hits from Kinney, 5 from Miller. Miller struck out 5 of Provo's men, among them the very best hitters, while Kinney succeeded in striking out 8 of the locals. Each pitcher walked 1 man during the game.

Features of the game were the home run hit by Laursen in the 4th; a base hit by Durrant; the splendid work of Miller, both at bat and on the mound and a double play made by Provo from Rellie to Sholtz to Elliott. Miller and Durrant both got 3 hits out of 4 times at bat. Laursen scored two of three runs made by the locals and Kinney scored the other. Kinney seemed to have "Doc" Homer's act as he struck out every time he came to bat. It is estimated that fans accompanied the team to the game and they were largely responsible for winning the game.

Friday as we go to press our last true game with Provo is being played on our own diamonds. It is thought that a record breaking crowd will be in attendance, as this game will either clinch the title for the Central Utah league for American Fork or give Provo one last chance to rally and come forth for the championship of the second half.

Another exciting game is promised the fans next Wednesday when the locals play Lehi here on our diamonds. We only have 4 more games to play after the Provo game today, two at home and two away. They are with Lehi and Spanish Fork.

The lineup and summary for Wednesday's game was:

SERVICES FOR JOSEPH I. JACKSON WEDNESDAY

Funeral services were held in the Alpine Stake Tabernacle Wednesday over the remains of J. I. Jackson, a former resident and native of this city who died at his home in Salt Lake Sunday. Mr. Jackson had been ill for some time with Bright's disease and dropsy. Until two weeks ago he had visited here with his sister, Mrs. Charles Pierce.

The body was brought to American Fork Wednesday for burial. Bishop Jas. T. Gardner of the First ward was in charge. The stake choir sang as the opening song "Come Ye Disciples." Prayer was offered by Bishop John R. Hindley. The second song was "My Father Knows." A brief sketch of the life of Mr. Jackson was read by Eli J. Clayton. The first speaker was Mr. Ezra J. Stephenson, a missionary companion to Mr. Jackson who told of his labors with the deceased and of his sterling worth; a duet was sang "Sometime Somewhere" by James Martin and daughter, Mrs. Mary Hanson; the next speaker was Dr. I. Z. Brown of Salt Lake, who had been Mr. Jackson's physician and advisor. J. Golden Kimball of the twelve apostles was the next speaker. He told of the glories of the hereafter and expounded the principles of the gospel. J. H. Davis rendered the solo "Oh My Father," after which Pres. J. H. Clarke spoke briefly. Mr. Benjamin Goddard, a close friend of the family, was called upon by special request to make a few remarks, after which the choir sang "Sometime We'll Understand." E. J. Clayton offered the closing prayer. The interment took place in the city cemetery here, where Bishop Arthur Wright of Bingham, dedicated the grave.

Mr. Jackson was born in this city Jan. 8, 1866 and was the son of Wm. and Ellen Wright Jackson. In 1887, when but 21 years of age he was called on a mission to New Zealand and spent three years there, becoming fluent with the native language. When the Alpine Stake was organized, Mr. Jackson was chosen stake superintendent of the Sunday schools. He served in this capacity until in 1907 when he moved to Salt Lake where he has since resided. He was a faithful Latter-day Saint and at the time of his death held the office of high priest.

Mr. Jackson was also active in a civic way and did much to help build our city. He served in turn as constable, justice of the peace and mayor of this city. It was in 1902 that he was elected mayor of this city. During this administration our beautiful city hall was erected as well as many other pieces of progressive legislation accomplished.

In 1906 he was elected as representative of Utah county to the State legislature and was instrumental in securing legislation favorable to the dry farm lands of Utah.

Mr. Jackson was one of the builders of the present Apollo hall and for several years was manager there. Since moving to Salt Lake he has been one of the chief owners and managers of the Odeon dance hall at that place.

Mr. Jackson was married in 1896

CHAUTAUQUA WELL ATTENDED DURING WEEK

The Ellison White Chautauqua being held here this week is of the very highest class of entertainments. Every performance has been well attended and has received the hearty applause of the audiences. The people supported the Commercial club and the Chautauqua in a splendid manner and it is thought that no deficiencies will be met by the club. The big tent was pitched on the school lot and the weather has been ideal for the crowds who attended.

The first day the Apollo Duo gave a splendid musical entertainment in the afternoon and in the evening A. Mather Hilburn very splendidly impersonated several characters in short character sketches and makeup.

On Wednesday the Margaret Reynolds company gave some musical numbers while Mrs. Taylor Z. Marshall and "Burns of the Kentucky Mountains" gave interesting lectures.

Thursday Richard Posey Campbell appeared in original readings in the afternoon and in the evening the greatest comedy sketch in years, "It Pays to Advertise," was given.

Friday the Valda Four, a male quartette, gave a splendid concert in the afternoon, and an illustrated lecture, "A Trip Through the Jungles," was given in the evening by Varveth Wells.

Today is considered to be the best day of all. The Witekies concert orchestra will furnish the program this afternoon and evening and as an added attraction Olive McCormick, a noted coloratura soprano will sing. The Junior Chautauqua especially, has had a good time all during the week.

Takes Long Needed Vacation

To our many friends, some enemies and a few knoockers, we wish to announce that this afternoon, the 5 day of August, 1921, we leave for at least a two week's vacation.

For 3,295 days—468 weeks—count 'em—nine years—we have never failed to be on hand to help get out your little home papers on time—never a vacation in the nine years except for a day or two and then part of that time was spent on business. But today we throw aside the harness, forget both our little papers, and the little nagging worries, and leave by auto for California. Our first real stop will be San Francisco and then down the coast to Los Angeles, and then it depends on how we are feeling where we go.

The office force say they will have a surprise for us before the two weeks—that they will put more "pep" in the collection of subscription money and have a barrel full of money before the two weeks are up so we can stay longer.

Help them "pull" this surprise off, friends.

to Blanch Robinson, daughter of W. S. Robinson of this city. Only one child, Mrs. Margaret Saunders was born to them, who with her mother survives. A sister, Mrs. Charles Pierce and a brother L. H. Jackson of this city and a brother, Fred A. Jackson of Salt Lake also survives him. He was well known and respected by all who knew him.

WIFE CALLED WITHIN SIX WEEKS OF HUSBAND'S DEATH

Mrs. Julia Walters, wife of the late Thomas Walters, and for ten years a resident of this city, died at the home of her daughter, Mrs. Hannah Thomas, at Fairfield Wednesday afternoon. Mrs. Walters died just six weeks after her husband. She was 65 years of age, having been born at Fairfield, the daughter of Mr. and Mrs. Geo. Carson, one of Utah's earliest settlers. Her father was killed while she was a small child by the Indians. In 1873 she married Thomas Walters. By this marriage she was the mother of 11 children, 7 of whom survive her. They are: Mrs. Hannah Thomas of Fairfield, George, of Fish Springs, Utah; Evan, Ephraim, Lewis, David and John, all of this city.

Most of her life was spent in Fairfield. In 1903 the family came to American Fork where they stayed until 1907 when they left for Vernon. In 1916 they again returned to this city where they have since made their home.

Sometime ago Mrs. Walters became ill with sugar diabetes from which she has been bedfast since last October. About two weeks ago she suffered a stroke from which she gradually grew worse.

She will be buried beside her husband at Fairfield where the funeral will be held. No funeral arrangements have been made, however, as we go to press Friday.

YOUTHS RECEIVE 'LIMIT' IN JAIL

Ogden, Aug. 1.—Six months in the jail at hard work was imposed by Judge D. R. Roberts of the city court this morning upon Reed Dunkley, 24 years of age, brick mason, and Ed J. Weaver, 21 years of age, locomotive fireman, following their pleading guilty of attempting assaults upon two young women at the corner of Twenty-fourth street and Washington avenue at 1 o'clock this morning.

In passing the sentence Judge Roberts said: "We'll see if we cannot devise a course of action which will protect our women folks. Any young man who comes before me and it is shown that an offense of this nature has been committed, will be sentenced to the maximum. Had it been in my power to pass a sentence of six years, rather than six months, that sentence would have been imposed upon the defendants. There is absolutely no excuse for such actions."

The case, following immediately after the attempted assault upon another young woman late last night, caused much bitter feeling in the city this morning. The courtroom was crowded with men, some of whom indicated by their action that they approved the reprimand given by the court. Several officers were in the court room this morning as a precautionary measure against any demonstration against Weaver and Dunkley.

According to the testimony of the girls, they were standing on the corner waiting for the "owl" street car when Weaver and Dunkley shouted at them. The girls started to move away, and Weaver and Dunkley attacked them and attempted to drag them into a basement. The girls screamed and the men then released

them. Weaver was arrested early this morning and Dunkley was arrested at 9 o'clock this morning. The arrests were made by Detectives W. A. Jones, R. H. Chambers and Geo. Finn.

Young Dunkley only moved from American Fork to Ogden a few months ago.

Sunday Meetings

There were no meetings here Sunday afternoon and evening on account of conference at Pleasant Grove. The meeting this week will be under the auspices of the 4th ward mutual. A splendid program has been arranged.

Remodeling for Hospital

The work of remodeling the rooms above the People's State Bank in readiness for the hospital to be opened there has already commenced. The rooms on the east will be used as wards while the others will be used for private rooms, operation room, office, etc. It is expected that the place will be ready for occupancy by September 1 and that an up to date hospital will then be run in American Fork. Dr. P. M. Kelly is directly in charge of the work which is progressing nicely.

Dr. Hedger to Lecture

Dr. Caroline Hedger of Chicago, noted child specialist, will lecture here Saturday evening, 7 p. m. August 13 at the Tabernacle. Dr. Hedger was sent to Belgium during the war to help stamp out epidemic disease among children and is one of the best authorities in the United States on her subject. This week she is lecturing at the big round up held at Logan, and the Women's Farm Bureau have secured her for one free lecture here. Next week, Saturday promptly at 7.
